

Facial Esthetics

Minimal enhancements to maximize esthetics!

BOTOX

- Forehead lines
- Frown lines
- Eyebrows lift
- Crows feet
- Bunny lines
- Under eye lines

DERMAL FILLERS

- Nasolabial lines or folds
- Smoker lines
- Superficial lines
- Oral commissure
- lips enhancement
- Chin Lines

The Process:

Plan, Treat, Repeat:

- _ Listen to your goals
- _ Map it out
- _ Plan treatment phases
- _ Digital Diagnostics
- _ Appointments Range from 15-45 Minutes
- _ Repeatable enhancements as needed

Why Our Office?

- _ Detailed facial mapping & treatment plan.
- _ Use of local anesthetic for dermafiller treatment comfort.
- _ Injectables: Our dental world is "filled" with them
- _ Magnification used on all procedures
- _ Precision of local anesthetic delivery

Facial Treatments:

Enhance or augment strategic areas with M.I.C.P.

(Minimally Invasive Cosmetic Procedures)

Botox:

- _ Site specific selection
- _ Takes 3-10 days to see full effects
- _ Duration: 4-9 months

Dermafillers:

- _ Select collagen products used with strategic placement
- _ Duration: 6-24 months
- _ Specific placement recorded for future repeatable procedures
